In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person

seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published*. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

And whereas the value of the whole real property rateable under this By-law, as ascertained and finally determined as aforesaid, is three hundred and six thousand seven hundred and ninety-five (\$306,795) dollars :

And whereas the amount of the debt which this Bylaw is intended to create is twenty thousand (\$20,000) dollars :

And whereas it will require the sum of one thousand (\$1,000) dollars to be raised annually for a period of twenty years to pay the interest of the said debt, and the sum of seven hundred and forty-four and 31/100 (\$744.31) dollars to be raised annually during the said period for the payment of the debt to be created by this By-law, such last-mentioned sum being sufficient, with the estimated interest on the investment thereof, to discharge the said debt when the same becomes payable, making in all the sum of seventeen hundred forty-four and 31/100 (\$1,744.31) dollars to be raised annually as aforesaid :

And whereas the value of the whole real property rateable under this By-law directly benefited by the said improvement and work upon which it will be required to charge an annual special rate in the dollar sufficient to pay the interest and create a sinking fund for paying the said principal debt of twenty thousand (\$20,000) dollars within twenty years, which said debt is created on the security of the special rate settled by this By-law and on that security only, is three hundred and six thousand seven hundred and ninety-five (\$306,795) dollars.

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows :—

(1.) During twenty years from the 15th day of December, 1906, the currency of the debentures to be issued under authority of this By-law, the sum of one thousand (\$1,000) dollars shall be raised annually for the payment of interest on said debentures, and also the sum of seven hundred forty-four and 31/100 (\$744.31) dollars shall be raised annually for the payment of the debt, making in all the sum of seventeen hundred forty-four and 31/100 (\$1,744.31) dollars to be raised annually as aforesaid.

(2.) A special rate of 5.69 mills in the dollar is hereby imposed on the real property above described, according to the value thereof as hereinbefore mentioned, exclusive of improvements, over and above all other rates and taxes, which special rate shall be sufficient to produce in each year the said sum of seventeen hundred forty-four and 31/100 (\$1,744.31) dollars, and shall be annually inserted in the Collector's Roll in each year for the next succeeding twenty years, and shall be payable at the time or times, and at the place and in the manner in which the ordinary City taxes are payable : provided, however, that no rebate shall be allowed on the amount levied hereunder as aforesaid.

(3.) The sum of twenty thousand (\$20,000) dollars shall be raised by loan by this Corporation on the security of the special rate hereby imposed and on that security only, and debentures amounting to the sum of twenty-thousand (\$20,000) dollars shall be issued by the said corporation therefor.

(4.) The said debentures shall be made payable at the expiration of twenty (20) years from the date of issue of the same, and bear interest at a rate not exceeding five per centum per annum.

(5.) The debentures may, both as to principal and interest, be payable in any place in Great Britain, in the United States of America, or Canada, and may be expressed in sterling money or in any other currency, and may be made payable in gold, and the amount to be raised thereon shall be paid out and expended in paying off and discharging any temporary loans heretofore obtained on account of the said improvement and works and for any other necessary expenses in connection with said improvement and works, and for no other purpose whatsoever.

(6.) If at any time any of the owners of the said real property hereinbefore described, or of any part thereof, desire to commute the assessment imposed by this Act by the payment of his, her or their proportionate share or shares of the cost thereof as the principal sum in lieu thereof, he, she or they may so commute by payment of such sum as may be necessary to realise at the end of the currency of such debentures a sum equivalent to the balance then unpaid of the said special rate thereon.

(7.) All monies arising out of the said annual special rate, and all monies received in commutation thereof under the preceding section of this By-law, shall be deposited in the savings bank of some chartered bank.

(8.) Every debenture to be issued hereunder shall contain a provision in the following words :—

"This debenture, or any interest therein, shall not, after a certificate of ownership has been endorsed thereon by the Treasurer of the Corporation, be transferable except by entry by the Treasurer or his Deputy in the Debenture Registry Book of the said Corporation of the City of New Westminster."

(9.) The amount of the special rate levied hereunder shall be added to the taxes for the financial year in which such rate is assessed and levied, and such special rate may be collected in every respect as ordinary land or real property taxes of the City of New Westminster, and may be enforced and recovered in the same way, whether by action to be brought in any Court of competent jurisdiction, by sale of the land or real property upon which the same attaches : Provided, however, that no rebate shall be allowed on the amount levied hereunder.

(10.) This By-law shall come into operation and take effect on the day of the passing thereof.

(11.) This By-law may be cited as the "Fourth Street Sewer By-law, 1906."

Done and passed in open Council this 2nd day of November, 1906.
